Dear Ms. Hobik,

Thank you very much for selecting The Hoffberger Breast Center at Mercy to receive proceeds from Saint Margaret School's "Out of Uniform Day." We were delighted to receive a check for \$322 and are most appreciative for this generous show of support.

As you know, Mercy's Breast Center brings together diagnosis, treatment, and recovery in a convenient and uncomplicated fashion - providing all stages of care in one location so that attention is focused on the patient's health and healing.

The Hoffberger Breast Center is able to provide compassionate care to women in our community, in large part, because of the generosity of others. Your gift helps to advance the standard of breast cancer care for women in the Baltimore area and beyond, while also helping to unlock new resources that will improve our understanding of breast cancer. We are extremely grateful for your support of Mercy's mission of healing and service.

Your caring and commitment continues to inspire us. Thanks to contributions such as yours, we are able to enhance patient care and treatment for women with breast cancer. May God bless you and everyone at Saint Margaret School. Best wishes for a peaceful and joyous holiday season.

Sincerely,

A handwritten signature in cursive script that reads "Sister Helen Amos".
