

Grades 4 and 5 Summer Reading List 2018

Saint Margaret School is committed to the intellectual development of each student. During the summer, **every student is expected to read a total of three books**. One book must be from the list below. Students will also be able to choose two self selected, age-appropriate, chapter books for a total of three books. **We encourage each student and parent to review each title before making selections**. Information and reviews can be found on Goodreads.com, Scholastic.com, and commonsensemedia.org. HCPL is a great resource as well.

Students are required to complete three graphic organizers – one for each book. The graphic organizer can be found on the SMS website. All graphic organizers are due the first day of school. In addition, students will be required to complete activities related to the books upon return to school.

The list below includes a Lexile score for each book. A Lexile is the numeric representation of an individual's reading ability or a text's readability. You can find your child's Lexile range on the Iowa Assessments Profile Narrative page, which was included in your child's report card. The score is highlighted on the bottom left side of the page.
