HELP US SPOIL OUR TEACHERS

Teacher Appreciation Week kicks off “Maycember”—one of the busiest times of the school year. Our goal is to make it feel truly special for our teachers, while keeping things simple and manageable for families.

The HSA has planned a full week of celebrations so every teacher feels genuinely supported and appreciated. We’ve also included a few easy, completely optional ways for families to take part—simple, low-stress, and meaningful.

The Favorite Things Cart: This is all about treating our teachers to a few little things that make their day better. Each teacher will get to choose three items from the cart—think self-care, small indulgences, and everyday favorites.

To help fill the cart, we’re asking parents to contribute by purchasing items here:

<https://tinyurl.com/SMSTeacherItems> (or use the QR code below). Items will ship directly to our committee for easy setup.

Note: There are a few items on the Wish List that will support our Flower Bar on Thursday.

School Supply Drive: Our teachers have the basics covered—this is all about the items that make their day a little brighter. Think upgraded favorites like erasable gel pens, lined sticky notes, prize bin goodies, etc. These are the things teachers love but don’t always get.

Your room parent will send a list based on your teacher’s requests (and don’t forget our Specials/Resource teachers link too!) Choose what you’d like to contribute and send it in — **we’ll have volunteers there to collect all the items on Wednesday, May 6.**

(PreK Tu/Th - you’ll get more direction in your room parent email)
